News & Events at LOC and in our Community!

Lafayette Community Church exists to help people discover life in Christ.

We do what we do because we believe God has called us to be a blessing to others, helping make their life better because of the love of Christ. We do what we do because we believe that when we serve others, we discover a little more what abundant life really is. Whether you are discovering life in Christ or you want to help others, you've found a home with us.

Ladies Fellowship Night • March 25

This month's LFN will consist of a movie (TBD), snacks, and fellowship! Ladies, come hang out on Monday the 25th, at 6:30pm, at the church building!

Hope Chapel Outreach

We are continuing to love the under-loved of Lafayette in partnership with Hope Chapel and are looking forward to the opportunities for service and growth. Talk to Pastor Jeff or Pastor Billy to learn how you can get involved.

Miami School Partnership

We've served 339 kids these last 6 weeks at the Book Swap! The faculty is really pleased and excited about how well received the Swap has been. You can read all about the first week it was open on Billy's blog. **Can you help?** The Book Swap runs weekly, and they have also asked for volunteers to read stories to kids or to play board games with them during lunches. Contact Beth Hardy to volunteer: **765-430-9753** or **grace2-8@hotmail.com**.

Financial Updates

The roof has been replaced!!!

Praise God for his provision. Your faithful giving and a bit of a loan from Converge MidAmerica (our church network) have allowed us to get a full roof replacement this past week.

No more buckets in the lobby! Please continue to give so we can pay off the loan as soon as possible.

Also, keep praying for our property tax situation. Pastor Jeff made a presentation to the county applying for tax exempt status on our property to the south and appealing the previous evaluation, but we haven't yet heard what the county decided.

Please download our mobile app to stay up to date with us electronically.
